

SIERRA CLASSIC CUSTOM HOMES

Temporary Detour Due to Construction!

For those travelling to our Brookshire Model Home coming down I-10 West (from San Antonio towards Houston), we are recommending an alternate route to avoid the construction and detours taking place at the FM 1489/Koomey Road bridge.

COMING FROM I-10 WEST:

Take I-10 West to **Exit 731**. At the first stop light, take a **left onto FM 359**. Head South approximately **.2 miles** to **11th Street** and take a **right**. You will reach a stop sign at the **intersection of 11th Street and FM 1489/Koomey Road**. Take a **right**. Once you reach the **I-10 feeder road**, you will take another **right** and begin heading east. The turn-in to our model will be **.6 miles** on your **right**.

COMING FROM I-10 EAST:

This route will not be affected by the construction. Head down I-10 East and take **Exit 731**. You will remain on the feeder road for **.8 miles** and arrive at the model on your **right**.

We look forward to seeing you soon!
